RESOLUTION 2020.08, 2020.09, AND 2020.10 TO FACILITATE ESTABLISHMENT OF COMMUNITY FACILITIES DISTRICT (CFD) NO. 2020-01 FOR HIGHLAND HILLS

The Chief Financial Officer stated that at the January 8, 2020 Board meeting, the Board heard a presentation on, and then adopted, Goals and Policies for Community Facilities Districts. The Board also accepted a petition from First American Title Insurance Company, the Owner of the property known as the Highland Hills project, to form a Community Facilities District (CFD) for that project, and authorized the General Manager/CEO to require a deposit from the Owner to pay District costs to establish a CFD. These were the first two actions recommended by Cyrus Torabi from Stradling, Yocca, Carlson, & Rauth in his presentation on ‘Introduction to Community Facilities Districts’.

He stated that since the January 8th meeting, staff, District consultants, and the owner and their consultants have been working together to prepare documents that require Board action:

Resolution 2020.08 - A Resolution of EVWD approving execution of a Reimbursement Agreement Related to the Highland Hills CFD which specifies a $75,000 deposit the owner must give to the District to pay for costs associated with establishment of a CFD, and how the owner may be reimbursed for those and other CFD costs if and when CFD Bonds are issued.

Resolution 2020.09 - A Resolution of EVWD declaring its intention to establish CFD 2020-1 and Improvement Areas 1, 2, and 3 therein, to authorize a special tax levy to pay for Facilities, Incidental Expenses, and Principal and Interest on Bonds.

Resolution 2020.10 - A Resolution of EVWD to incur Bonded Indebtedness within CFD No. 2020-1, and Improvement Areas 1, 2, and 3 therein. This Resolution establishes the not to exceed amount for a CFD bond issue at $24 million and establishes the purpose for which bonds may be issued, and the term for which they may be issued.

He stated that staff anticipates that the next request for Board action will be to consider adoption of a Resolution of Formation for CFD 2020-1.

M/S/C (Morales-Goodrich) by unanimous roll call vote that the Board adopt Resolutions 2020.08, 2020.09 and 2020.10 to facilitate the establishment of Community Facilities District No. 2020-01 for Highland Hills as submitted.

Minutes 04/22/2020 sma

Information only.

GENERAL MANAGER/CEO REPORT

The General Manager/CEO responded to a comment from Director Morales regarding the Settlement Agreement between the City of San Bernardino, San Bernardino Valley Municipal Water District and East Valley Water District. He stated that the District recently completed the transfer of the East Trunk Sewer Line and as part of the agreement, the District will provide the City of San Bernardino notification that the treatment plant is up and running six months prior to going online.
He thanked staff for their continued dedication and hard work while we adjust to the changing situation; he stated that staff continues to provide essential services including answering customer calls, providing options for bill payments, fixing leaks etc., 24 hours a day, seven days a week.

As part of the Districts commitment to public service, staff continues to hand out lunches and groceries to senior citizens in coordination with the Highland Senior Center and San Manuel Band of Mission Indians.

He thanked the public for their continued support during these try times.

Information only.

LEGAL COUNSEL REPORT

No report at this time.

BOARD OF DIRECTORS’ COMMENTS

Director Morales stated that he appreciates the professionalism of District staff and for their commitment to the reliability of water, as it remains unaffected during these trying times.

Vice Chairman Goodrich commented that growth within the District is going in a positive direction.

Chairman Smith stated that he’s received positive comments from his neighbors on the District’s response to the crisis.

Information only.
