GUIDELINES & REQUIREMENTS

High Efficiency Sprinkler Nozzles use less water per minute than conventional nozzles. East Valley Water District customers may apply for any or all of the rebate programs currently offered by the District. Simply fill out the rebate application, include a W-9 form and copy of receipt(s). For more information, call (909) 806-4287 or email conservation@eastvalley.org.

TERMS AND CONDITIONS

To qualify, an applicant must either be the EVWD residential water customer of record with authorization from the property owner for installation or the legal owner of the residential property within EVWD water service area.

Each customer is limited to one (1) outdoor rebate of each type per property per fiscal year.

Customers must provide EVWD with the itemized dated sales purchase receipt(s) for any product included in this program. Purchase must be made after July 1, 2021. Only products within the rebate program are eligible for rebate.

Participants in the East Valley Water District rebate program may qualify for rebates in excess of \$600. In order to comply with current Internal Revenue Service requirements, applicants must complete and sign a W-9 form. The W-9 form must be submitted with a rebate application. Customers are only required to complete one W-9 form per calendar year. The District must receive the completed form prior to issuing a rebate check.

Rebates will not exceed the purchase amount of the rebate product. Rebates will be processed on a first-come, first-served basis, based on fund availability, and issued as a direct deposit or check to the applicant.

Customer account must be in good standing in order to be eligible to participate in any of the District's rebate programs.

Rebates are subject to post-installation inspections to ensure the implementation and use of the rebate product(s). Failure to install the new product at the applicant's address may result in the value of the rebate being added to the applicant's water bill.

EVWD is not responsible for faulty equipment or installation, and does not represent the customer, retailer or manufacturer of rebated merchandise in any dispute or in any other way.

By signing this application, you agree to the terms and conditions of the East Valley Water District Rebate Program.

DISCLAIMER

East Valley Water District reserves the right to deny applications if any conditions or qualifications are not met. Submission or possession of a rebate application does not guarantee receiving a rebate. The District reserves the right to change or end this program and its terms at its discretion at any time without prior notice.

By participating in this program, you waive and release East Valley Water District from any and all claims and causes of action arising out of the installation or use of

rebated products. Any claim based upon defect or failure of performance of rebated products should be pursued with the manufacturer and/or distributor.

The District is not responsible for receipts or paperwork lost in the U.S. mail. The District cannot guarantee that any participation in this program will result in lower water utility bills. Customer is responsible for complying with local ordinances, restrictions, rules, and regulations prior to installing any new equipment.

ADDITIONAL RESOURCES

By using water efficiently, you can play an important part in ensuring a safe and reliable water supply for our community, while keeping bills as low as possible. To find out about all of our indoor and outdoor rebate programs, visit: www.eastvalley.org/conservation.
